

Hi-Tech Newsletter

Volume 1 ▪ Issue 4 ▪ April - June 2018

**VEL TECH HIGH TECH
Dr.RANGARAJAN Dr.SAKUNTHALA
ENGINEERING COLLEGE**

(Approved by AICTE, Affiliated to Anna University - Chennai, ISO 9001:2008 Certified Institution,
Accredited by NBA, New Delhi & Accredited by NAAC with 'A' Grade & CGPA of 3.27)

#60, Avadi-Vel Tech Road, Avadi, Chennai - 600062, Tamil Nadu, India.

Hi-Tech Newsletter (Volume 1, Issue 4, April - June 2018)

© Vel Tech High Tech Dr. Rangarajan Dr. Sakunthala Engineering College, Chennai
June 2018

Chief Editor : **Dr. Evangeline E T**, *Assistant Professor, MBA*

Associate Editor : **Ms. Durgadevi. M**, *Assistant Professor, English*

Editorial Board :

1. **Dr. J. Prakash**, *Vice-Principal, Professor & Head, Department of Electrical and Electronics Engineering*
2. **Mr. A. Vishnu Kumar**, *Head, Planning*
3. **Dr. D. Yuvaraj**, *Professor & Head, Department of Biotechnology*
4. **Dr. B. Bharathiraja**, *Professor & Head, Department of Chemical Engineering*
5. **Dr. S. Govindasami**, *Professor & Head, Department of Civil Engineering*
6. **Dr. S. Veeramalai**, *Professor & Head, Department of Computer Science and Engineering*
7. **Dr. G. Saravana Kumar**, *Professor & Head, Department of Electronics and Communications Engineering*
8. **Dr. R. Suresh**, *Professor & Head, Department of Mechanical Engineering*
9. **Dr. M. Malleswari**, *Professor & Head, Department of Information Technology*
10. **Dr. H. Moideen Batcha**, *Professor & Head, Department of Master of Business Administration*
11. **Mrs. R. Latha**, *Assistant Professor & Head, Department of Master of Computer Applications*
12. **Dr. C. Mohan**, *Professor & Head, Department of Mathematics*
13. **Dr. R. Muralidharan**, *Associate Professor & Head, Department of Physics*
14. **Dr. B. Vijayakumar**, *Associate Professor & Head, Department of Chemistry*
15. **Dr. M. Rajendran**, *Professor & Head, Department of English*

PRINCIPAL MESSAGE

Dr. E. Kamalanaban, B.E (CSE), M.E (CSE), Ph.D.
Principal

It is my pleasure to present the fourth quarterly issue (April - June'18) of the Newsletter of Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College for the year 2017-2018. I am indeed much delighted to meet you through this page. Apart from teaching, our faculty members are deeply engaged in research work and scientific collaboration in national and international projects. It may be pertinent to mention that the students in collaboration with the faculty have successfully organized a 2 day extravaganza "AAVISHKAAR'2018, National Conference cum Project Expo cum Cultural event. It is endeavor of the newsletter to acquaint its readers with the achievements of the Vel Tech High Tech fraternity.

The current Newsletter highlights the event Aavishkaar, Faculty and Student achievements, Innovations in R&D, Training & Placement, Achievements in Sports, NCC and NSS, Department activities and highlights. The intent of **Hi-Tech Newsletter** is to disseminate information about our Institute and I hope that the readers find the issues informative and useful.

- Dr. E. Kamalanaban

Department of Master of Computer Applications.....	95

OUTCOME BASED EDUCATION (OBE)

Education forms the back bone of any country. System of Education reveals the quality. As we know India has a population that is the youngest in world and by 2020 we will have youngsters in the age of 21-24 who will be at the start of their career, looking for good opportunities. But, in recent years in our country we have seen a sharp decline in the employability of students graduating from technical education, which proves to be a potential threat for a nation that has youngest population.

Lot of initiatives that were taken to improve that quality of students, but those gave little or no improvement. Based on lot of analysis Government identified that the students lacked the potential skills and knowledge that are required for employability or for pursuing higher education.

To bring improvement in the quality of education Indian Government signed and became a permanent member of the “WASHINGTON ACCORD” on 13th June 2014, and started bringing reform under the initiative “OUTCOME BASED EDUCATION”.

Understanding this impact and having extreme concerns over the quality of students graduating and also the quality of graduates that we must produce for our nation, we at our institution unanimously decided to follow the OUTCOME BASED EDUCATION, to produce graduates who will bring up the nation and who will shoulder great responsibilities in the near future.

OBE as the name indicates concentrates on the improvement of the “outcomes or the required skills and knowledge” that a sudden must have at the time of graduating. We at our institution and in turn in our school take serious concern in attaining the attributes defined globally for the graduates. Each program and the courses in a program are decided and also designed to give specific skills required to enhance the quality.

Therefore, in our institution various skill development activities initiated by our Principal Dr.E.Kamalanaban are being conducted in a way to aid the cause of improvement.

And one among that is the **Group Learning or Collaborative learning**. In the Classroom, Often, collaborative learning is used as an umbrella term for a variety of approaches in education that involve joint intellectual effort by students or students and faculty members by engaging individuals in interdependent learning activities.

It is a situation in which two or more students learn or attempt to learn something together. Unlike individual learning, students engaged in collaborative learning capitalize on one another's resources and skills (asking one another for information, evaluating one another's ideas, monitoring one another's work, etc.).

Ms.Raja Saranaya Kumari (HTS1245) and Ms.Alin Mercybha (HTS 1268) of Department of Computer Science and Engineering facilitated the Group Learning of the First Year students of CSE A & B for PROGRAMMING IN C.

INSTITUTION VISION AND MISSION

VISION

Pursuit of excellence in technical education to create civic responsibility with competency.

MISSION

- To impart the attributes of global engineers to face industrial challenges with social relevance.
- To indoctrinate as front runners through moral practices.
- To attain the skills through lifelong learning.

PROGRAMME OUTCOMES OF ENGINEERING DEGREE AND MCA

- PO1— *Engineering knowledge***— Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems.
- PO2— *Problem analysis***— Identify, formulate, research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.
- PO3— *Design/development of solutions***— Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations.
- PO4— *Conduct investigations of complex problems***— Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.
- PO5— *Modern tool usage***— Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modeling to complex engineering activities with an understanding of the limitations.
- PO6— *The engineer and society***— Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.
- PO7— *Environment and sustainability***— Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.
- PO8— *Ethics***— Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.
- PO9— *Individual and team work***— Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.
- PO10— *Communication***— Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.
- PO11— *Project management and finance***— Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.
- PO12— *Life-long learning***— Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

PROGRAM OUTCOMES OF MBA

- PO1*— Ability to apply the business acumen gained in practice.
- PO2*— Ability to understand and solve managerial issues.
- PO3*— Ability to communicate and negotiate effectively, to achieve organizational and individual goals.
- PO4*— Ability to upgrade their professional and managerial skills in their workplace.
- PO5*— Ability to explore and reflect about managerial challenges, develop informed managerial decisions in a dynamically unstable environment.
- PO6*— Ability to take up challenging assignments.
- PO7*— Ability to understand one's own ability to set achievable targets and complete them.
- PO8*— Ability to pursue lifelong learning.
- PO9*— To have a fulfilling business career.

⊙ DEPARTMENT OF BIOTECHNOLOGY

Vision

To be a Center of perfection in the field of biotechnology prepared to make graduates who attempt for the welfare of humanity.

Mission

- To confer quality instruction for long lasting proficient development and opportunity in an extensive variety of Careers.
- To multiply profound established learning
- To make mindfulness towards socio-moral ramifications of possibilities of biotechnology

Programme Educational Objectives (PEOs)

Our biotechnology graduates will

- PEO1*— Have a thorough knowledge on the fundamentals of applied biological sciences and build their career in this field.
- PEO2*— Implement their acquired knowledge in fields such as advanced biochemical engineering and associated downstream processing techniques.
- PEO3*— Understand the recent developments in the field of biotechnology with advanced focus on research and development and pursue their research goals.
- PEO4*— Ethically solve problems related to their field of expertise using their communication and management skills

Programme Specific Outcomes (PSOs)

- PSO1*— To characterize and synthesize commercially important enzymes, bioactive compounds, probiotics and novel drugs.
- PSO2*— Will have exposure to advanced technologies in the field of fermentation and downstream technology.
- PSO3*— Will have broad knowledge in recombinant DNA Technology
- PSO4*— Will have knowledge on ethical, environmental and social awareness

⊙ DEPARTMENT OF CHEMICAL ENGINEERING

Vision

To equip the nation with human resources having Chemical Engineering expertise and concern towards the environment.

Mission

- To nourish students in Chemical Engineering fundamentals.
- To facilitate for continuous updating of their knowledge.
- To enthuse the students to involve in interdisciplinary studies and research.
- To inculcate values of ethics, leadership and professional integrity

Program Educational Objectives (PEOs)

Our graduates will,

PEO1— have the potential to work effectively as individuals and as well as in teams in the field of Chemical Engineering and allied disciplines.

PEO2— have the ability to pursue higher studies and research through continuous and lifelong learning.

PEO3— engage in career development through entrepreneurial skills with a sense of social responsibility considering ethical, economical, environmental factors.

Programme Specific Outcomes (PSOs)

PSO1— The ability to develop model, design, optimize a new energy efficient process for new chemical industries.

PSO2— Ability to apply knowledge to modify the existing process to be feasible and sustainable.

PSO3— To expose the students to the dynamic environment to successfully face the job market with confidence and competency.

⊙ DEPARTMENT OF CIVIL ENGINEERING

Vision

Create a responsible Civil Engineer with a technical competence and managerial ability in various Civil Engineering disciplines to achieve the expectation of stakeholders and to build our Nation.

Mission

- To educate, inspire and mentor future Civil Engineering Technocrats for serving the society and nation.
- To create, disseminate and integrate Civil Engineering knowledge through quality teaching practices for solving real world problems.
- To promote innovative thinking, quantitative reasoning, attitude and skills of Civil Engineers for handling the challenges in the future.

Program Educational Objectives (PEOs)

PEO1— Graduates will acquire the knowledge from Civil Engineering Program to contribute as competent technical professionals at entry level or middle level in an Organization.

PEO2— Graduates will evolve to possess specialized domain knowledge in Civil Engineering through higher education.

PEO3— Graduates will utilize best practices bestowed by the Civil Engineering Program to excel as comprehensive entrepreneurs.

Programme Specific Outcomes (PSOs)

By the time of graduation, the Under Graduate Civil Engineering students can achieve;

PSO1— Apply fundamental knowledge in mathematics, science and engineering for contributing to higher studies, teaching profession, research activities, and development of civil engineering and allied fields.

PSO2— Utilize computational methods and analytical techniques for planning and analyzing civil engineering real life problems, designing the safe, economic and social acceptable structures and managing technical activities involved in civil engineering and allied projects

PSO3— Exhibit ethics in collaboration with other members of multi-domain professional teams for the development of national sustainability.

By the time of graduation, the Post Graduate Civil Engineering students can achieve;

PSO1— Apply advanced knowledge for planning, analyzing and designing the civil engineering and allied projects.

PSO2— Work effectively on teams of multi-domain professional to enhance the problem solving process using appropriate techniques and tools.

⊙ DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Vision

To blend academic learning process and innovative ideas producing self-confident graduates with skills and knowledge to compete in the changing world.

Mission

- To provide strong basic knowledge in Computer Science and Engineering.
- To motivate the students to function as a team from their innovative ideas in collaboration with the industries.
- To enable the students to lead and adapt to the growing environment.

Programme Educational Objectives (PEOS)

Our Computer Science Graduates will

PEO1— Embark upon successful professional practice in Computer Science and Engineering, displaying supportive and leadership roles.

PEO2— Engage in professional projects requiring teamwork and making valuable contributions to design, development, and production in the practice of Computer Science and Engineering or application areas.

PEO3— Equip to adapt and grow with changes in technology and globalization, and to pursue higher studies and research activities.

PEO4— Be capable of productive employment in the field of Computer Science and Engineering with competing technical expertise, good interpersonal skill.

PEO5— Utilize their broad educational experience, ethics, and professionalism to make a positive impact on their local and professional communities.

Programme Specific Outcomes (PSOs)

By the time of graduation, the undergraduate Computer Science and Engineering students can achieve :

PSO 1— Designing Computer/Electronic based components which would serve social environment.

PSO 2— Applying the current and gained knowledge and modern techniques not only in the Computers but in all related fields.

⊙ DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Vision

To ascend as a focal point of scholarly prominence in Communication technocrats and related fields through learning procurement and proliferation addressing global requirements and guidelines.

Mission

- Granting quality instruction by instilling principal information in hardware and correspondence designing with due spotlight on examination and industry hones.
- To proliferate long lasting learning.
- To grant the right extent of information, states of mind and morals in understudies to empower them take up positions of duty in the general public and make noteworthy commitments.

Programme Educational Objectives (PEOs)

PEO1— Graduates might pursue a career eminence in electronic and communication engineering or associated industries or higher education and research, or as entrepreneurs.

PEO2— Graduates might exhibit the capability and demeanor to acclimatize sprouting technical challenges.

PEO3— Graduates might display specific knowledge of a gamut of Electronics and Communication engineering domains to cater the needs of the society.

Programme Specific Outcomes (PSOs)

A graduate of the Electronics and Communication Engineering Program will have:

PSO1— Exhibit the ability to design and realize solutions by exercising principles of electronics, Digital System design, Integrated Circuits and Signal Processing for Commercial, Industrial and Defense requirements.

PSO2— Comprehend the doctrines of communication systems, computer networks, antennas to cater telecommunication industry requisites.

PSO3— Elucidate contemporary trends and propound feasible product development approaches.

⊙ DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Vision

To rise as a focal point of scholastic incredibleness in electrical and electronics engineering and related fields through learning obtaining and proliferation meeting worldwide practices

Mission

- To support the ability and to encourage the understudies with examination atmosphere in electrical and electronics engineering
- To proliferate deep rooted learning
- To grant the right extent of learning, mentalities and morals in understudies to empower them take up positions of duty in the general public and make critical commitments

Program Educational Objectives (PEOs)

The objective of Electrical and Electronics Engineering Program are:

PEO1— To empower the students with a solid foundation in mathematical, scientific and engineering fundamentals so as to impart the necessary skills to analyze and synthesize electrical circuits, algorithms and to solve Electrical and Electronics Engineering problems.

PEO2— To encourage the students to develop professional and ethical attitudes, effective communication skills, teamwork, multidisciplinary approaches and an ability to relate engineering issues in a broader social context.

PEO3— To make the Graduates to better employability positions and motivate them to engage in learning and pursuing higher studies.

PEO4— To promote students life-long learning process through successful completion of their degrees and continuing education.

Program Specific Outcomes (PSOs)

By the time of graduation, Electrical and Electronics Engineering students can

PSO1— Apply the fundamental knowledge in mathematics, science and engineering to identify, formulate, design and investigate complex electrical engineering problems of electric circuits, analog and digital electronic circuits, electrical machines and power systems.

PSO2— Apply appropriate techniques and modern Engineering hardware and software tools in Electrical engineering such as power system, Electrical machines and power electronics real life problems, to engage in life- long learning and to successfully adapt in multi disciplinary environments.

PSO3— Understand the impact of Professional Engineering solutions in societal and environmental context, commit to professional ethics and communicate with multi-domain professional effectively

⊙ DEPARTMENT OF INFORMATION TECHNOLOGY

Vision

To develop as place for scholastic greatness in the field of information technology through creative learning hones

Mission

- To give great instructing and learning environment for quality training in the field of Information technology
- To spread deep rooted learning
- To give the right extent of learning, states of mind and morals in understudies to empower them take up positions of duty in the general public and make huge commitments

Program Educational Objectives (PEOs)

PEO1— Our graduates will exhibit professional skills to design, develop and test software systems for engineering needs.

PEO2— Our graduates will excel as successful Software Professionals.

PEO3— Our graduates will blend learning experience and professionalism to demonstrate a sense of societal and ethical responsibilities to the society.

Programme Specific Outcomes(PSOs)

By the time of graduation, Information Technology students can

PSO1— To expose students with latest technology to face the market successfully.

PSO2— The ability to identify and analyze the user needs and take them into account in the selection, creation, evaluation and administration of computer-based systems.

PSO3— The ability to design, implements, and evaluate a computer-based system, process, component, or program to meet desired needs.

PSO4— To be able to effectively integrate IT-based solutions into the user environment.

PSO5— To be able to analyze a problem, and identify and define the computing requirements appropriate to its solution.

⊙ DEPARTMENT OF MECHANICAL ENGINEERING

Vision

Educate the student community in curricular and co-curricular activities to fit in mechanical engineering and its allied sectors at global level.

Mission

- To inculcate innovative thinking, quantitative reasoning & attitude.
- To provide opportunities for research & development.
- To promote entrepreneurship and intrapreneurship.

Program Educational Objectives (PEOs)

Our Graduates,

PEO1— Will exhibit technical prowess to solve problems and able to work in multidisciplinary teams lead to deliver significant societal benefits.

PEO2— Will demonstrate professional engineering competence via promotions / positions of increasing responsibility.

PEO3— Will pursue research activities and publish papers, apply for patents, deliver effective conference presentations.

PEO4— Will demonstrate a commitment to the community and the profession through involvement with community / professional organizations / make contributions towards society's greater prosperity.

PEO5— Will demonstrate an understanding of the need for life-long learning via progress.

Programme Specific Program Outcomes (PSO)

By the time of graduation, Mechanical Engineering students can

PSO1— Apply fundamental knowledge in mathematics, science and engineering for contributing to higher studies, teaching profession, research activities, and development of mechanical engineering and allied fields.

PSO2— Apply computational methods and analytical techniques for planning and analyzing mechanical engineering real life problems, designing the safe, economic and managing technical activities involved in mechanical engineering and allied projects.

PSO3— Exhibit ethics in collaboration with other members of multi-domain professional teams for the development of national sustainability.

⊙ DEPARTMENT OF MASTER OF BUSINESS ADMINISTRATION

Vision

National Level distinction and International Visibility in Every Facet of Management Education

Mission

To add to the productive administration of assets, for the monetary development and social improvement, by giving the abilities and information to oversee, and by overhauling the assemblage of learning, through examination and linkages with academicians, honing directors and business houses.

Program Educational Objectives (PEOs)

MBA programme curriculum is designed to prepare the post graduate students

PEO1— To have a thorough understanding of the core aspects of the business.

PEO2— To provide the learners with the management tools to identify, analyze and create business opportunities as well as solve business problems.

PEO3— To prepare them to have a holistic approach towards management functions

PEO4— To motivate them for continuous learning.

PEO5— To inspire and make them practice ethical standards in business.

☉ DEPARTMENT OF MASTER OF COMPUTER APPLICATIONS

Vision

To develop as a chief learning place for processing, training and instilling human qualities to explain worldwide difficulties.

Mission

- To engage understudies with learning, aptitudes and demeanor to create far reaching registering arrangements that addresses the requirements of the educated community, industry and society.
- To inculcate lifelong learning.
- To exceed expectations in instruction, research, consultancy and Industrial collaboration.

Program Educational Objectives (PEOs)

PEO1— To prepare students to excel in the computing profession by providing solid technical foundations in the field of computer applications.

PEO2— To provide students various computing skills like the analysis, design and development of innovative software products to meet the industry needs.

PEO3— To motivate students to pursue lifelong learning and to do research as computing professionals and scientists.

To motivate students to communicate and function effectively in teams in multidisciplinary fields within the global, societal and environmental context.

VEL TECH HIGH TECH – GENERAL EVENTS

◎ EVENT - 01 – AAVISHKAAR'2018 – A 2 Day Extravaganza

A two day National Conference cum project Expo and Cultural was conducted by Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College from April 2nd 2018 to April 3rd 2018.

DAY 01 - NATIONAL CONFERENCE AND PROJECT EXPO

This multidisciplinary National Conference facilitates the exchange of ideas in innovative topics and serves as a platform for establishing links between research groups from students, faculty, research scholars and representatives from industry. National Conference was conducted on April 2nd 2018.

Ms.Kanchan Khedkar, Group Manager, Senior Business Partner, HCL Technologies was the Chief Guest for the occasion.

Totally 187 papers were received from the delegates from over different colleges from the state. Papers were presented under various categories headed by the session chairs.

List of Session Chairs

- ◎ *Department of Biotechnology and Chemical Engineering* – **Dr.V.Deepak Samuel**, Scientist, Department of Biotechnology, Anna University
- ◎ *Department of Civil Engineering* – **Dr.S.Ganapathy Venkata Subramanian**, Professor, Environmental Engineering, Anna University
- ◎ *Department of Computer Science and Engineering* – **Dr.Sibi Chakravarthy**, Associate Professor, Department of CSE, Anna University
- ◎ *Department of Electrical and Electronics Engineering* – **Dr.P.Somasundaram**, Associate Professor, Department of EEE, Anna University
- ◎ *Department of Electronics and Communication Engineering* – **Dr.P.Nirmal Kumar**, Associate Professor, Department of ECE, Anna University

- © *Department of Information Technology & MCA - Dr. Rajesh*, Associate Professor, Department of IT, Anna University
- © *Department of Mechanical Engineering - Dr. K. Annamalai*, Associate Professor, Department of Mechanical Engineering, Anna University
- © *Department of Master of Business Administration - Dr.Ramanathan. V*, Associate Professor, Department of MBA, SCSVMV, Kancheepuram

List of Papers Received

Department of Biotechnology

S. No.	ID	Title	Author(s)	College
1.	NBT007	Effect of Withanolide-A Treated Dendritic Cells on T-Cell Proliferation	Devapriya Segaran	Sri Venkateswara College of Engineering
2.	NBT008	Identifying and Analyzing Natural Extracts for Isolated Synergistic Microbes for Dandruff	Karthick Kumar R	Prathyusha Engineering College
3.	NBT010	Human Gait and Posture Control through Stimulating Footwear	Preethi S	Anna University, Act Campus, Chennai
4.	NBT011	Isolation and Characterization of Rhizosphere Microbes for Plastic Degradation	Kajendran M	Prathyusha Engineering College
5.	NBT012	Comparative Study of Quercetin Level in Five Different Varieties of Indian Onion Wastes.	R.Mangala Kani	Vel Tech High Tech Dr Rangarajan Dr Sakunthala Engineering College,Avadi
6.	NBT013	Isolation and Screening of Plasmid DNA Conferring the Ability to Degrade Aromatic Hydrocarbon Benzene and Toluene	Srimathi.V	Vel Tech High Tech Dr Rangarajan Dr Sakunthala Engineering College
7.	NBT020	Cloning of Mutated Bacillus Subtilis Derived Laccase Gene into E.Coli for its Enhanced Detoxification of Crystal Violet Dye and its Immobilization	Kavitha Shri R. K.	Sri Venkateswara College of Engineering
8.	NBT021	Effect of Conditioned Medium Derived from MCF-7 Cells on Mesenchymal Stem Cell in 3D Spheroidal Cultures	Veveeyan S	Sri Venkateswara College of Engineering
9.	NBT023	Studying the Interaction between MCF-7 and the Mesenchymal Stem Cells using 3d Printed Pla Scaffold as a Co-Culture System	Revathi B	Sri Venkateswara College of Engineering [Autonomous - Affiliated to Anna University]
10.	NBT025	Spheroidal Cultural of MSCS and Mcf7 in Core Shell Pattern as Tumor Model	Swetha S Narayanan	Sri Venkateswara College of Engineering
11.	NBT026	Effect of Gastric Cancer Like Environment on the Antimicrobial Activity of Mesenchymal Stem Cells	Mamta N V	Sri Venkateswara College of Engineering
12.	NBT028	Effect of Pa-824 on Mycobacterium Smegmatis Infected Human Peripheral Blood Derived Macrophages	Hitesh GP	Sri Venkateswara College of Engineering

Department of Chemical Engineering

S. No.	ID	Title	Author(s)	College
1.	NCH001	A Relative Study on Chemical Surfactant and Bio-Surfactant in the EOR Processes	A.Sivasakthi	AMET University
2.	NCH004	Decolourising Mesoporous Molecular Sieve Adsorbent Production by Sol Gel Method using Agricultural Biomass	Ponmani .V	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College Avadi
3.	NCH005	Digestion of Dairy Industry Waste Water-Biogas Evolution	N.Chidambaram	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
4.	NCH008	Biofermentative Production of Itaconic Acid by as Aspergillus	Lavanya	SSN Engineering College

Department of Civil Engineering

S. No.	ID	Title	Author(s)	College
1.	NCE002	Experimental Study on Determining the Feasibility of using Tyre Scraps as Subgrade Soil Stabilizer	Arunita Pal	Dr MGR Educational And Research Institute
2.	NCE004	Comparative and Characteristics Study of Polypropylene Fiber Reinforced Concrete	R Harish	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
3.	NCE005	RC Beams Retrofitted by Ferrocement Laminates with Addition of Alccofine	Dinesh Kumar Ms	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
4.	NCE006	An Experimental Investigation on Hollow Sphere Incorporated RCC Beam	M.Manoj Kumar	Veltech Hightech Dr.Rangarajan Dr.Sakunthala Engineering College
5.	NCE007	An Experimental Investigations on High Strength Concrete with Metakolin & Glass Fibre	M.Manoj Kumar	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
6.	NCE008	Experimental Investigation & Study on the Strength Parameter of Nano Concrete	M.Manoj Kumar	Vel Tech High Dr.Rangarajan Dr.Sakunthala Engineering College
7.	NCE010	Effect of Pressurized Heat Curing on Blended Cement using Silica Fume and Superplasticizer	Dinesh Kumar Ms	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
8.	NCE011	Geopolymer Concrete with the Replacement of GGBFS and M-Sand	K.R.Shruthi	Jeppaair Maamallan Engineering College
9.	NCE012	An Experimental Investigation on Copper Slag Concrete in Bacterial Water and Normal Water	Asanammal Saral J	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
10.	NCE018	Experimental Investigation on Flexural Behavior of Prosopis Juliflora Ash Concrete	Elaiya Bharathi E	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
11.	NCE022	Experimental Study on Partial Replacement of Clayey Soil with Rice Husk on Side Skew Bricks.	Manikandan	Veltech High Dr.Rangarajan Dr.Sakunthala Engineering College

<i>S. No.</i>	<i>ID</i>	<i>Title</i>	<i>Author(s)</i>	<i>College</i>
12.	NCE023	Strengthening of Concrete using CFRP and GFRP	Karthick J	Jeppiaar Maamallan Engineering College
13.	NCE024	Strengthening of RCC Column using S-Glass Scrim Reinforced Ferrocement Jacketing	Gokul Pandian Dcs	Vel Tech High Tech Dr Rangarajan Dr Sakunthala Engineering College
14.	NCE026	Strengthening of Reinforced Concrete Beam Elements by Wrapping with GFRP	R.Poornima Gandhi	Vel Tech High Tech Dr. Rangarajan Dr.Sakunthala Engineering College
15.	NCE027	Stabilization of Bitumen using Crumb Rubber and Glass Powder	Robin J	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
16.	NCE029	Corrosion Prevention on Coated Rebars and Fiber in R.C Slabs	J.Hathari Evangalin	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
17.	NCE030	Role of Tamarind Kernel Powder for Treating Wastewater	Dr.D.Sivakumar	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
18.	NCE031	Removal of Hexavalent Chromium using Column Reactor	Dr.D.Sivakumar	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
19.	NCE032	Civil Engineering	Dr.D.Sivakumar	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
20.	NCE033	Study on Polystyrene Insulated Concrete Block	Dr.D.Sivakumar	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
21.	NCE034	Assessment of Groundwater Stability Through Irrigation Indices	Dr.D.Sivakumar	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
22.	NCE035	Kinetics Study on Removal of Colour from Textile Industry Wastewater	Dr.D.Sivakumar	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
23.	NCE036	Kinetic Study on Removal of Copper using Dead Saccharomyces Cerevisiae	Dr.D.Sivakumar	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
24.	NCE037	Role of Bamboo on Removal of Nickel from Aqueous Solution	Dr.D.Sivakumar	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
25.	NCE039	Experimental Study on Partial Replacement of Cement by using Agriculture Waste in Concrete	Anjala D	Vel Tech High-Tech Dr.Rangarajan Dr.Sakunthala Engineering College
26.	NCE040	Enhancement of Properties of Copper Slag with and Without Basalt Fibre	Kishore Rs	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
27.	NCE041	A Study on the Capacity of Neem Powder as Natural Corrosion Inhibitor in Steel Reinforcement	A.Devanandhu	Vel Tech High Tech Dr Rangarajan Dr Sakunthala Engineering College
28.	NCE042	Mechanical Strength of Polyolefin Fibre Reinforced Concrete	N.Suman	Vel Tech High Tech Dr Rangarajan Dr Sakunthala Engineering College

Project Expo

Project Expo aims to serve as a platform for young budding engineers to showcase their technical talents and their areas of interest. Totally 71 Projects from different colleges were exhibited on the day.

List of Project Exhibits

S No	Project Expo ID	Participants	Department	Project Title	Institution
1.	PBT001	E. Divya,A. Kowsalya.V. Bhavani Poojitha	Biotechnology	Vermi Composting in Food Waste and Types of Irrigation	Vel Tech High Tech Dr Rangarajan Dr Sakunthala Engineering College
2.	PBT003	A.Vinitha Kumari, V.Vishnupriya, S.Divya	Biotechnology	Algal Biodiesel	Vel Tech High Tech Dr Rangarajan Dr Sakunthala Engineering College
3.	PCH001	V.Karuppasamy.R. Pradhishkanna	Biotechnology	Artificial Wind Tree	Vel Tech High Tech Dr Rangarajan Dr Sakunthala Engineering College
4.	PCH002	J. Iyyappan, M.Suresh,A. Pravin	Chemical Engineering	Sorption of Acid Blue 9 using Hydrilla Verticillata Biomass-Optimization, Equilibrium, and Kinetics Studies	Annamalai University
5.	PCE001	Y.Devanraj , A.Charlash Immanuvel	Civil Engineering	Mission APJ	IFET College of Engineering
6.	PCE002	S.Rokesh, S.Rajasekar, A.Rahulraj, N.Premkumar	Civil Engineering	Stability securitization of roof top telecommunication tower as per IS 875:2015 (PART-3)	Prathyusha Engineering College
7.	PCE003	Balaji.B, Dhanesh Kumar.A	Civil Engineering	Behavioral Analysis of Carbon-Di-Oxide Bricks	Karpaga Vinayaga College of Engineering and Technology
8.	PCE004	Sarath Kumar A, Vishnu Kumar P, Harish B	Civil Engineering	Light Weight Bricks using Sugarcane Bagasse	J.N.N Institute of Engineering
9.	PCE005	Venkatraj,Sakthivel, Saravanan, Rajesh	Civil Engineering	Strength Characteristics of the Zeolite Cement Concrete	J N N Institute of Engineering
10.	PCS001	Nivetha M A, Shajini V, Shaik Ruksaar	Computer Science and Engineering	Development of test for audio visual perception	Prathyusha Engineering College
11.	PCS002	Imaya Bharathi S, Haresh Kumar G, Mohamed Imran KS	Computer Science and Engineering	Data Security using GOS System	Anna University Tindivanam
12.	PCS003	S.Mohanlal, Franklin David, Abishek raj	Computer Science and Engineering	College app	Prathyusha Engineering College

DAY 02 - CULTURALS

The much-awaited cultural fest of Tech Dr.Rangarajan Dr.Sakunthala Engineering college Aavishkaar'2018 – was conducted on April 3rd 2018 at our college premises with amazing events. A wave of celebration enthralled the audience, as the institution presented Aavishkaar'2018. This cultural is an apt platform to showcase the varied forms of art. The stage was set for students from different colleges in the nation to hone their skill and exhibit their talents. It explored the extra-curricular talents of the students and was a feast for the spectators. Celebrities from the city were invited to cheer up the audience.

Glitterati on Red Carpet

Cine Actor Srinath

Casting Directors Arun Arvind

Kpy-Simbu Madhan

Anchors and Stars from Sun Tv & Zee Tamil

Sparkling Dancers and Danseuses on Floor

Performers as Group

Karaoke with Soul Vocal

Rocking Musicians

Masked Artists with Maskless Hearts

Award Winners Who Won the Hearts

🌀 EVENT - 02 - VISIT TO DEFENCE EXPO - 2018

Hostel Students in front of Exhibition Stall with our Principal – Dr.E.Kamalanaban – Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College

46 Students from Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College visited the Defence Expo on 14th April 2018. The Defexpo – started from April 11 to April 14 with major global and domestic military firms showed their latest weaponry and platforms. The four-day-long, Defence Expo 2018 was held outskirts of Chennai and close to the temple town of Mahabalipuram. The weapons and platforms that are displayed includes the Tejas fighter jets, advanced towed artillery gun systems (ATAGS) designed by the DRDO Arjun Mark 2 tank and Dhanush artillery guns. The DRDO's exhibits include the Nirbhay missile system with launcher, autonomous unmanned ground vehicle (AUGV), MBT Arjun Mk-I tank, Astra missile, low level transportable radar (LLTR) system, medium power radar (MPR) system and Varunastra -- heavy weight anti submarine electric torpedo.

Dhithya, Student of the Department of Biotechnology, Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College with Minister of Defence Mrs. Nirmala Seetharaman during the Defence Expo 2018

◎ EVENT - 03 - BEC-VANTAGE TEACHER SUPPORT PROGRAMME

A One-day Teacher Support Programme was conducted on 22nd June 2018 inaugurated by our Principal Dr.E.Kamalanaban. He shared his views on promoting value added exams. Vice Principal Dr.J.Prakash shared his views on the skills, and opportunities for placement through this exam. Faculty from all departments participated in the BEC-Teacher Support Programme. Ms.Smitha Prohit from Cambridge Assessment - trained our faculty to encourage and support the students in their exams.

Learning Outcomes

- ◎ To support the students in BEC -vantage exam
- ◎ To extend the knowledge level of four skills-LSRW
- ◎ Experiment student's language acquisition level.
- ◎ Measure the proficiency of the student.
- ◎ To improve the performance of the students in English language proficiency test.
- ◎ To support the students in BEC -vantage exam

◎ EVENT 04 - A 7-DAY ANNA UNIVERSITY SPONSORED FDTP IN "TRANSFORMS AND PARTIAL DIFFERENTIAL EQUATIONS"

DAY 1 - 11/06/2018

The FDTP was inaugurated by **Dr. V. Thangaraj**, Former Controller of Examinations, Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology, Former Director and Head, Ramanujan Institute for Advanced Study in Mathematics in the presence of our respected Principal Dr.E.Kamalanaban and faculty members of the department and the external participants. The inauguration was followed by the lecture of **Dr. V. Thangaraj** on One dimensional wave equation in Applications of PDE. The afternoon sessions was handled by **Dr. S. Udayabaskaran**, Professor, Dept of Mathematics, Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology, gave a lecture on Applications of

Transforms and Partial Differential Equations and **Mr. K.A. Niranjan Kumar**, Associate Professor, Department of Mathematics, Vel Tech Multi Tech Dr.Rangarajan Dr.Sakunthala Engineering College, gave a lecture on Latex for paper presentation.

DAY 2 - 12/06/2018

The forenoon session started with **Dr. V. Sundarapandian**, Professor, Department of Mathematics, Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology, given a lecture on First order PDE followed by **Dr. R. Suresh**, Associate Professor from Department of Mathematics, Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology delivering a lecture on Differential Equations.

DAY 3 - 13/06/2018

The forenoon session started with **Dr. B. Thilaka**, Professor, Department of Mathematics, Sri Venkateswara College of Engineering, gave a lecture on “One dimensional heat equation”. The afternoon session was handled by **Dr. C. Mohan**, Professor, Department of Mathematics, Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College on Combinatorics.

DAY 4 - 14/06/2018

Dr. S. Anbarasu, Assistant Professor, Department of Mathematics, MIT Campus, Anna University and Dr. C.T. Dora Pravina of Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology shared both the sessions and delivered lectures on Z-Transforms and Second order PDE respectively.

DAY 5 - 16/06/2018

The forenoon session started with a lecture by **Dr. B. Krishna Kumar**, Professor, Dept of Mathematics, CEG Campus, Anna University delivered a lecture on Fourier Transforms followed in afternoon session by **Dr. M. Kothandaraman** and **Mr. R. Jayakumar**, Assistant Professor, Department of Mathematics, Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College delivered a lecture on Fourier Sine and Cosine Transforms.

DAY 6 - 18/06/2018

Mr. P. Balaji, Asst. Professor, Department of Mathematics, Measi Academy of Architecture, Royapettah, started the forenoon session with his lecture Logic and Proof. The afternoon session was handled by **Dr. P. Selvaraju**, Professor, Department of Mathematics, Vel Tech Multi Tech Dr.Rangarajan Dr.Sakunthala Engineering College. He gave a detailed lecture on Fourier sine and cosine series.

The forenoon session by **Dr. S. Udayabaskaran**, Professor, Dept of Mathematics, Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology, gave a lecture on Linear Algebra. **Dr. J. Viswanath**, Asso. Professor, Department of Mathematics, Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology, presided over the valedictory function and also gave a lecture on two dimensional Heat equation.

The programme was successfully completed with the FDTP report read by **Mr. K.A. Niranjan Kumar** and the vote of thanks by **Ms. T. Santhy**.

Coordinators

S. No.	Staff Name	Designation	College Name
1	T. Santhy	Assistant Professor	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
2	K.A. Niranjan Kumar	Associate Professor	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College

Participants

5	A. Kannan	Assistant Professor	Vel Tech Owned by R.S. Trust
6	V. Gayathri	Assistant Professor	Vel Tech Multi Tech Dr.Rangarajan Dr.Sakunthala Engineering College
7	K. Manikandan	Assistant Professor	Vel Tech Multi Tech Dr.Rangarajan Dr.Sakunthala Engineering College
8	P. Banupriya	Assistant Professor	Vel Tech Multi Tech Dr.Rangarajan Dr.Sakunthala Engineering College
9	S. Ilakiya	Assistant Professor	Vel Tech Multi Tech Dr.Rangarajan Dr.Sakunthala Engineering College
10	S. Bhavani	Assistant Professor	Vel Tech Multi Tech Dr.Rangarajan Dr.Sakunthala Engineering College
11	Dr. A. Jyothi Bala	Assistant Professor	R.M.D Engineering College
12	P. Pushpa	Assistant Professor	RVS Padhmavathy College of Engineering & Technology
13	J. Greeda	Assistant Professor	St. Peter's Institute of Higher Education and Research

<i>S.No.</i>	<i>Staff Name</i>	<i>Designation</i>	<i>College Name</i>
14	A. Anand	Assistant Professor	Gojan School of Business and Technology
15	T. Stalin	Assistant Professor	Gojan School of Business and Technology
16	Dr. S.M. Chithra	Associate Professor	R.M.K. College of Engineering and Technology
17	Dr. M. Kavitha	Associate Professor	Kumaran Institute of Technology
18	C. Densley	Assistant Professor	Vel Tech
19	P. Murugaraja	Assistant Professor	Vel Tech
20	V. Vadivelu	Assistant Professor	Vel Tech
21	R. Jayakumar	Assistant Professor	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
22	J. Kavitha	Assistant Professor	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
23	R. Thilagavathi	Assistant Professor	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
24	G. Muthumari	Assistant Professor	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College
25	Dr. M. Kothandaraman	Assistant Professor	Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College

Learning Outcomes of the FDTP

- ⊙ Providing a platform for the staffs to learn the latest developments and happenings in the area of Transforms and Partial differential equations (TPDE).
- ⊙ Updating knowledge beyond curriculum and regarding applications of TPDE.
- ⊙ Getting updated with the topics such as Fourier series, Fourier Transforms and Applications of Partial differential equations.
- ⊙ Collating and conveying the ideas of TPDE effectively to the staffs and students.

DEPARTMENT OF RESEARCH AND DEVELOPMENT

The Research and Development Cell of Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College aims to nurture research culture in the College by promoting research in newly emerging and challenging areas of Engineering, Technology, Management, Science and Humanities. It encourages the students and faculty to undertake the research in newly emerging frontier areas of Engineering, Technology, Management, Science and Humanities including multidisciplinary fields. This enhances the general research capability of budding technocrats by way of participating in conferences, seminars, workshops, project competition, etc.

The Research and Development Cell is functioning with the following objectives:

- To create awareness and opportunities in Research and Development among the students & faculty and to create Research and Development atmosphere in every department.
- To motivate the faculty members of the group for R&D activities in the area of their specialization.
- To organize R&D meeting every month for all the departments.
- To encourage faculty members and students of all the disciplines in Engineering / Management / Science & Humanities in R&D activities for their professional growth;
- To undertake research activities and development projects offered by agencies such as ISRO, DRDO, CSIR, DST, AICTE, UGC, etc.
- To assist the students to apply funding for conducting research under student project scheme to various funding agencies like TNSCST, IEI (I), DRDO, etc
- To assist for applying and getting funds for conducting Seminar/Workshop/FDP from various available funding agencies;
- To develop and coordinate strategies for maximizing the faculty's success in gaining external research funding.

In order to promote research and development activities, the college extends its full support to students/faculty/staff. Full/Partial financial support is given to all innovative research & development works taken up by the students, faculty and staff members. The college encourages students, faculty and staff to participate in National/International Conferences, Training programmes, Tech-Festivals organized by reputed institutes (IITs/NITs/State Engg. Colleges etc.) by giving full/partial financial support viz. course/registration fee, TA/DA etc.

⊙ Schedule of R&D Activity

Time: 3.00 PM to 5.00 PM

Venue: Tata Centre

Bioprocess Engineering for Green Environment, Description: Boca Raton : Taylor & Francis, 2018. | Includes bibliographical references and index, Bioprocessing of biofuels for Green and Clean Environment pp-237-249

ICTACT Activities

◎ EVENT 01: POWER SEMINAR ON “CURRENT TRENDS IN INDUSTRY” IN ASSOCIATION WITH ICT ACADEMY

Date: 9th June 2018

The Department of Computer science and Engineering organized one day Power seminar on the title “CURRENT TRENDS IN INDUSTRY” dedicated to current and emerging topics on 9th June 2018 in association with ICT Academy for all department final year students of Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College. The program was Coordinated by Mrs. S. Durga Devi, Assistant Professor, Department of CSE.

Resource Persons for the Occasion

Mr.Swaminathan Lakshmanan
Manager-HR
Williams Lea Tag India Pvt.Ltd,
Chennai

Rathinavel Rajan
Manager-HR,
i-Ball India

Pandi Alagu Raja Mahamuni
Manager-HR
Jouve India

Learning Outcomes

- ◎ Provides a platform for the students to access the latest developments happenings across.
- ◎ Builds a strong industry-academia linkage thereby creating unlimited possibilities.
- ◎ Creates a more dynamic future workforce which makes their students employable.
- ◎ Getting updated with the technologies and latest information about the things which are happening across domains.
- ◎ Updating knowledge beyond curriculum.
- ◎ Collating and conveying their ideas effectively.
- ◎ Start thinking about new things which they think could be implemented practically.

⊙ EVENT 02: FDP ON “INTRODUCTION TO BIG DATA ANALYTICS DATE: 19TH JUNE TO 23RD JUNE 2018

The Department of Computer science and Engineering, Information Technology and Master of Computer Application organized a Faculty Development Program from 19th June to 23rd June 2018 on “Introduction to Big Data analytics” for Internal and External faculty of various Institutions. The program was Coordinated by Mrs. S. Durga Devi, Assistant Professor, Department of CSE.

The objective of the FDP is to facilitate the participants to get cognizance of the concepts of big data and Hadoop along with hands on session. This FDP draws attention on how to obtain data from legitimate open-source repositories via web APIs and page scraping and introduce specific technologies for analysis.

The FDP session started on 19th June, 2018 at Saravanavel Auditorium in the presence of Principal, Dr. E.Kamalanaban, Resource person Mr.Dinesh Kumar Gandhi, Training Head ICT Academy, Dr.V.Manjula HOD CSE, Dr.M.Malleswari HOD IT, Mr. Mohamed Irfan Relational Manager .By the end of the course, participants understood Big Data’s role in making meaningful insights from the complex and large sets of data all around the world.

Learning Outcomes

- ⊙ Understand the concept and challenge of big data and why existing technology is inadequate to analyze the big data;
- ⊙ Collect, manage, store, query, and analyze various form of big data
- ⊙ Gain hands-on experience on large-scale analytics tools to solve some open big data problems
- ⊙ Understand the impact of big data for business decisions and strategy

⊙ EVENT 03: VALUE ADDED PROGRAM ON “PROBLEM SOLVING & PYTHON PROGRAMMING” DATE: 25TH TO 28TH JUNE 2018

The Department of Computer Science and Engineering in association with ICT Academy organised a Value added Program on “**Problem Solving & Python programming**” from 25th to 28th June 2018 for III year and IV year student of Computer Science and Engineering. The program was Coordinated by **Mrs. S. Durga Devi, Assistant Professor, Department of CSE.**

Introduction to Python talk was given by the resource person **Dr.P.Murali** Associate Professor, CSE Department Vel tech High Tech and python programming, control statements and function was discussed and hands-on training was given by **Dr.S.Hemalatha**, Assistant Professor, CSE Department, Vel tech High Tech during the afternoon session. For the rest three days various topics like Data structure like Dictionaries, Sets, Modules, packages file handling and Exception handling file handling were discussed.

Learning Outcomes

- ⊙ To improve the Employability Skills in accordance with current industry thrust.
- ⊙ Develop and use Web Services using python.
- ⊙ Develop web applications using python programming.
- ⊙ Access database using python programming.
- ⊙ Implementing database using SQLite.
- ⊙ Create applications using python programming.
- ⊙ Write clear and effective python code.
- ⊙ Able to apply the principles python programming.

NATIONAL SERVICE SCHEME - NSS

'Swachh Bharat Summer Internship – 100 Hours of Swachhata' - A National Mission for 15 days. A dream project of our prime minister Mr. Narendra Modi.

Addressing the nation on the 43rd edition of Mann Ki Baat, a monthly radio programme, Prime Minister Narendra Modi announced the launch of the government's special summer internship linked to the Swachh Bharat Abhiyan. He urged the college students, NCC Cadets, NSS Jawans, students of Nehru Yuva Kendra and other youngsters to join the internship and contribute towards a clean India. Jointly designed by the three ministries – Drinking Water and Sanitation, Human Resource Development, and Youth Affairs and Sports – the 100-hour experiential internship program would require the candidate to visit one or more villages and conduct activities of their choice to contribute to the cause of rural sanitation.

In view of this, the NSS Volunteers of Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering actively participated in the Internship Program.

⊙ NSS Schedule for Swachh Bharat

Sl. No.	Date	Time

15.	04.07.18	Public road cleaning from police camp to kanniamman nagar bus stop				Survey related to availability of toilets

◎ DAY: 1 - INAGURATION AND POND CLEANING

Date : 18.6.18

Inauguration Session: FN

Venue: Veerapuram

Principal Dr.E.Kamalanaban along with Vice-Principal Dr.J.Prakash inaugurated the 15 days Swachh Bharat internship programme at Veerapuram. Mr. Frederick ArunKumar, Block Development Officer from Thiruvallur District witnessed the programme and spoke on importance of creating awareness to public on health issues. Dr.L.Lavanya, Block Medical Officer was invited to the programme. She spoke on the precautions methods to avoid Dengue and to be taught to the public. She praised and thanked the volunteers for their timely work, as they started work before the rainy season.

◎ DAY 2

Date: 19.6.18

Venue: Veerapuram

Work: Pond Cleaning

◎ DAY 3

Date : 20.6.18

Venue: Veerapuram

Work: Pond Cleaning

The first three days of Swachh Bharat Internship programme came to an end with a clean pond in Morai village, which was almost closed by water hycinth plant. Those unwanted plants were cleared, which ultimately made the atmosphere to get cool breezes. The public felt happy to see the clean water in the pond.

◎ DAY 4

Date : 21.6.18

Venue: Veerapuram

Work: Government School Cleaning and Wall Painting

The NSS Volunteers cleaned the Government Higher Secondary School which was not maintained properly. They white washed the wall and also painted the black board.

◎ DAY 5

Date (22.6.18)

Venue: Veerapuram

Work: Awareness Training and Street Cleaning

Our student volunteers were given awareness and training about the aim of swachh barath and safety to be followed by our volunteers in the programme. Our volunteers continued with their cleaning of the street on that day.

◎ DAY 6

Date (23.6.18)

Venue: Veerapuram

Work: Awareness Campaign on Better Sanitation Practices Like Using a Toilet, Hand Washing, Health and Hygiene Awareness – Door to Door Meeting

The NSS Volunteers met the public door to door and gave awareness on better sanitation practices like using a toilet, insisted on hand washing practices, also issued pamphlets on the same. They spoke to the home makers regarding the problem they face, and they counselled them.

◎ **DAY 7**

Date 25.6.18

Venue: Veerapuram

Work: Street Cleaning

Our volunteers cleaned the streets of Veerapuram village which was not properly maintained. They involved themselves to clean the blocks of drainage, removed the unwanted herbs and Shrubs in the streets.

◎ **DAY 8**

Date : 26.6.18

Venue: Kanniamman Nagar

Work: Cleaning at Kanniamman Nagar Temple Area

The NSS Volunteers actively participated in 'Swachh Bharat Summer Internship - 100 Hours of Swachhata' - Our student volunteers cleaned Kanniamman temple premises in Morai village.

◎ DAY 9

Date (27.6.18)

Venue: Kanniamman Nagar

Work: Cleaning at Kanniamman Nagar Bus Stand

The NSS Volunteers cleaned the streets and removed all the garbages. The public were also taught about proper maintenance of bio-degradable and non-degradable waste.

◎ DAY 10

Date (28.6.18)

Venue: Kanniamman Nagar

Work: Kanniamman Nagar Street Cleaning

The Volunteers cleared the Prosopis juliflora (Karuvellam tree) as per the Government's advice (Order of the HC-Madurai Bench) as it absorbs excess ground water than other plants. They also created the public awareness on the ill-effects about growing prosopis juliflora around the house.

◎ DAY 11

Date (29.6.18)

Venue : Kanniamman Nagar

Dream project of our Prime Minister Mr.Narendra Modi had been fulfilled by our NSS volunteers, as they moved to each doors to campaign the awareness on sanitation practices like using toilets, right way of washing hands, removing unwanted water storage, and to keep the house and the environment clean. They explained the hazards of unhealthy practices.

Our NSS volunteers strenuously worked to clean the government school-primary campus and the play ground at Kanniamman Nagar. The play ground of the school was with thorny plants which disturbed the children while playing. Clearing and cleaning of the ground made the students happy.

DEPARTMENT OF PLACEMENT & TRAINING

The Department of Placement & Training is recognized for its ability to plan and implement soft skills training, technical training, value added programs such as the Personality development programs and Technology Training Programs in the areas of interest and requirements for the Industry. This adds to the credentials of the students and builds the quality of the engineering professionals from the college.

Placement and Training Department is also providing necessary Pre-Placement Training for the pre-final year students in the form of Pre-Placement talks arranged by various industries / corporate, training from the seniors on nature of the written test being imparted and process of interview of different industries. Placement Department also regularly organizes talks from the various professionals from different universities for pursuing higher education in abroad and talks from trainers for taking competitive exams like CAT, GMAT, Aptitude etc.

The following are the various training initiatives the Department of Placement & Training had taken to prepare the students to work in global multicultural corporations / and industries.

Placement Training conducted during April to June 2018

◎ SKILL RACK

The name of the training agency is **PEE CEE CASTLE SOFTWARE SERVICES PRIVATE LIMITED** and it is located at Door No 9/2 ,15th Ward, Five Falls Road Ilanji, Tenkasi Taluk TN 627805 IN, Tenkasi Taluk - 627805, Tamil Nadu, India

Objective of the Training

The main objective of the assessment is it helps students in developing their technical skills providing them a solid platform for an employability opportunity. Also, to make students excel in the coding skills

About the Company

Peecee Castle Software Services Private Limited was registered at Registrar of Companies Chennai on 02 July, 2010 and is categorized as Company limited by Shares and a Non-govt company.

Training Methodology

This is four days training programme in which the resource person from the company will be teaching students about coding and technical programs. Each batch consists of 40 students. Students will be taken to computer science lab and they will be taught by PPT methods. Parallely students will log on to their respective ids and will be solving the coding questions Students from all streams like CSE, ECE, EEE, IT are part of this assessment. It has its **Value addition** towards employability skills by making the students excel in aptitude, technical skills, and AUTOMATA (CSE, ECE, EEE, IT).

◎ EXPANION

The name of the training agency is EXPANION. It is located at Plot no 494,10th street Anna Nagar west extension Chennai 101.

Objective of the Training

The main objective of the training is to provide an employability platform for the students by training them and enhancing their skills for the Placements.

About the Company

Expansion, is a unique platform that nurtures and hones skills of budding professionals through guidance by eminent industry experts.

Training Methodology

Nine live sessions will be taken by the industrial experts who will be guiding the students and updating them about the current position of industry and its expectations. Each session one topic will be delivered to the students. Apart from this online module will be assigned and students will take those assignments. Finally, after this mentoring will be provided by the resource person, according to this one resource person will be mentoring three students.

It has its **Value addition** towards employability skills by training students in coding language and gives them industrial exposure.

The timetable is given below:

<i>Session No</i>	<i>Date</i>	<i>Session Topic</i>	<i>Expert Name</i>	<i>Company</i>
1	17.05.2018	Usage of Right Data Structures	Ramkumar	C1X Inc.
2	18.05.2018	Advanced Data Structures and Algorithms	Ramkumar	C1X Inc.
3	21.05.2018	C and C++	Muhunthaadithya C	Amazon
4	22.05.2018	Tackling Placement Interviews and How to be successful in Industry and career choices	Senthilvel Samatharman	Symantec
5	23.05.2018	Exposure to Upcoming Technologies	Vishwanath Natarajan	Amazon

◎ ZOHO

The name of the training agency is **ITK Education Service Private limited** and is located at New No. 69, S1- Kalyani Towers, 2nd Avenue, Ashok Nagar, Chennai, Tamil Nadu 600083, India

Objective of the Training

It helps students in developing their technical and coding skills providing them a solid platform for an employability opportunity.

About the Company

Zoho, software is our craft and passion. We create beautiful software to solve business problems. Over the past decade of our journey, the Zoho suite has emerged to be a leader in the cloud and on your devices. As much as we love software, it is our people and our culture that are our most valuable assets

Training Methodology

Classes will be taken for 20 hours for III year students on ZOHO module. Training is done with PPT and white board method. It has its **Value addition** towards employability skills by training students for gaining knowledge in solving technical and programmed language and will improve their chances of excelling in the coding module.

The syllabus and time table is scheduled below:

<i>Date</i>	<i>Day</i>	<i>Timing</i>
02.06.2018	Saturday	1.30pm-5.30pm
03.06.2018	Sunday	1.30pm-5.30pm
06.06.2018	Wednesday	1.30pm-5.30pm
07.06.2018	Thursday	1.30pm-5.30pm
08.06.2018	Friday	1.30pm-5.30pm

Mr.Sakthivel.M, Assistant Professor, Department of Master of Computer Applications, Mr.Dhanu.S, Assistant Professor, Department of Computer Science and Engineering and Mr. Praveen, Assistant Professor, Department of Computer Science and Engineering had attended the “TalentNext Digital Skills Readiness Program” from April 2nd to 13th 2018 at Wipro Limited, Electronic City Bangalore.

Learning outcomes

1. Need for Digital Skills Readiness
2. Understanding Coding Standards adopted by Industry
3. Importance of Logic Building

Mr. Praveen has been certified as a Wipro Trainer.

DEPARTMENT OF BIOTECHNOLOGY

⊙ About the Department

The department was started in the year of 2006 with the intake of 60 students. Since it a multi disciplinary course it has dedicated faculties from varies branches of Biotechnology. The department is well organized with advanced laboratories like bioprocess engineering, molecular biology, bioorganic chemistry; cell biology etc. Laboratories have been designed to cater the academics as well as research. The departments initiate many student projects to acquire knowledge in the field of industry and to make them tailor made biotech entrepreneur. Apart from academic assignments, many faculty members of the department involve themselves in research activities. Department has many funded projects from department of science and technology, Tamilnadu council for science and technology. The department regularly organizes staff development program and national level symposium to bring the industry close to the academia. With the team of dedicated staffs the department maintains to achieve 100 % result in the university exams. Many of the faculty members have published the research findings both in national and international journals.

DEPARTMENT OF CHEMICAL ENGINEERING

⊙ About the Department

The department of Chemical Engineering owes its inception and its growth to its present state to the munificence and vision of our founder Chairman. This department was started in the year 2002. The department aims at nurturing chemical engineers with sound technical background and with a passion for sustainable development.

The department has well established State of the art laboratories to imbibe. Department uses latest instrument for analysis, like spectrophotometer, FTIR and modern equipment like centrifuges rotary drum driers and cyclone separator.

The department is well supported by faculty with diverse specialization like, bio fuels and biotechnology, Energy, Engineering and thermodynamics, petroleum processing and petrochemical, material science and technology. Two of the faculty holds Ph.D from leading institutions. Students project are published in leading research journals and our students have won laurels in extracurricular and co-curricular activities.

On the whole, the department strengthens its record day by day both in research and academics is bound to surpass its own achievement, and energy as a leading school for research and academics.

DEPARTMENT OF CIVIL ENGINEERING

⊙ About the Department

The department of Civil Engineering was started in the year 2002 with an intake of 120 students. The department boasts of highly qualified and experienced faculty from different background of Civil Engineering. The department was accredited by NBA-AICTE for the period of 2008-2011. The department organizes many industrial visits, guest lectures, in plant training every semester and a National Conference/Symposium is been conducted each year. Further, an AICTE sponsored research work was done by our renowned professors Dr.M.Thiruvengadam and Dr.D.Sivakumar worth a total of Rs.15.65 Lakhs. The faculty members are enrolled in various membership as well as the professional society like ISTE,IE,ICI,CAE,IAH,IWRS,IWWR,IAPC,IPH,SES etc. The Students have undergone inplant training in NAC,Tamil Nadu Housing Board, Chennai Port Trust,CIDC,Composite Technology park, Engineering Project Ltd,National academy of construction and the Industrial visit in Ranipet Tannery Effluent Treatment Plant, Walajahpet, Sathanur Dam, Pennaiyar river, Thiruvannamalai, Altitude infra structures, Madipakkam, BSR'S Balaji Enclave, Neerkundram, BSR Mall, OMR road, ISRO etc.

It gives the department immense enlightening dignity to announce abothroughout the academic period.

160 papers have been published in renowned journal indexed in Scopus and 3 patents received so far. The department of Civil Engineering bags the winner title in the Inter department cricket match held at college campus on 08-Feb-2018. The Inter -department volley ball tournament held at college campus on 10-Jan-2018.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

⊙ About the Department

The Department of Computer Science and Engineering was established in the year 2005 with an initial intake of 60 students and increased to 120 students in the year 2008. The main objective of this programme is to enable students to acquire strong knowledge in Computer Science and Engineering, as well as to enrich the students' personal, social and cognitive development to meet the challenges of the growing environment. The department has highly qualified and motivated faculty members who dedicate themselves to train the students and skilled staff. The department is well equipped with high end computers, latest software and state-of-the-art IT infrastructure and all these computing resources are interconnected with high speed intranet.

In addition, we have more than 200 E-Learning materials for the benefit of the students through NPTEL and also have more than 250 text and reference books in our department library. The students are exposed to up-to-date curriculum, technology and techniques through Guest Lectures, Symposium, Conferences, Workshop, Seminar, Value Added Courses and Alumni Interactions. The department also conducts Faculty Development Programs (FDP) and Orientation programmes to upgrade the knowledge and skills of the faculty members. The department faculty has involved in cutting-edge research areas like Biometric, Image Processing, Data Mining, Mobile Computing, Mobile Ad Hoc Networks, Wireless Sensor Networks, Network security, Cloud Computing and Internet of Things. The learning outcomes of our department are achieved with healthy breadth of spacious and ventilated classrooms.

Faculty Awards

Mr.V.Sabapathi [HTS1208] Assistant Professor of CSE Department won the bronze medal in Vocal Skill Competition in South Zone Regional Level organized by National Ability Association of India, Hyderabad on 18th June 2018.

Department of Electrical and Electronics Engineering

The Department of Electrical and Electronics Engineering was established in the year 2008 with an intake of 60 students. Our mission is to impart technical knowledge and skills to the students to become technically sound, practical and self sufficient Electrical Engineers. Apart from making them good technocrats, we also provide individual attention to make them good citizens of our nation to serve the society. The department functions with efficient faculty and well equipped lab facilities.

It has conducted many technical symposium and workshops. The teaching and research activities are supported by a team of Dean, Professor, Assistant Professor and Lecturers who were well qualified and experienced in their field of study. The Department has well established state-of-art laboratories to inculcate practical knowledge to the students and it is well structured and built with spacious, ventilated class rooms.

Department of Electronics and Communication Engineering

The Department of Electronic and Communication Engineering was established in the year 2002 with initial intake of 60 students and it is now increased to 120 students. The Department was started with an objective to impart high quality education in the field of Electronic and Communication Engineering. It is accredited by NBA. The Department has state-of-art labs, qualified and well experienced faculty with the passion for both teaching and research. The Department aims to produce Electronic and Communication Engineers with excellent skills sets to meet the needs of our field. The department has been consistently producing illustrious engineers of fine caliber and enabling them to occupy prestigious position in the academics and in the industrial fields.

Learning Outcomes

- ⊙ All Details pertaining to 8086 microprocessor like architecture, addressing modes, programming, etc.
- ⊙ 8086 System Bus Structure – Configuration
- ⊙ I/O Interfacing with peripheral devices
- ⊙ Microcontroller – 8051 Architecture, address modes and Assembly language Programming
- ⊙ Interfacing of Microcontroller with peripheral devices like ADC, DAC, Sensor Interfacing, Stepper Motor, etc

Department of Information Technology

The Department of Information Technology was established in the year 2006 with 60 students. The Department is fully equipped with high quality laboratories. The Department consists of dedicated and highly qualified faculty members. The laboratories are updated with highly configured systems and recent Technological software, which enables to provide quality education. Students are motivated to participate in competitive events, National and International Conferences that are conducted by various Organizations and Educational Institutions. Students also visit Industries to gain practical knowledge on application of the technologies they learn as part of their course curriculum. Our Department Staff and Students are members in various Associations. We conduct several Faculty Development Programs (FDP), Guest Lecturers and Symposium for the benefit of students and staffs related to the subjects with the new and emerging concepts by the experts in that area.

1	2007-2011	Mr.M.Arun Prasath VH1666	09.04.2018	Senior Software Engineer, Digital Nirvana Information Systems

It was on the 9th April, 2018 that the whole of IT department witnessed the interaction of an Alumnus, Mr.M.Arun Prasath of batch 2007-2011 working as a Senior Software Engineer at Digital Nirvana Information Systems, Coimbatore, came to share his experience with the students.

He motivated the students with his positive speech. He encouraged the students to get placed during campus interview and shared his experience in the company. He explained about the current technologies in the industry and how to survive in the software industry. He gave us some tips to score more marks in the semester and also for placement preparation. He spent all his time in selflessly clearing all the doubts that the students raised in the arena.

Ms.D.Daya Florance, AP/IT is awarded as BEST PAPER PRESENTER for the paper titled “A Driver Sleep Detection System” in technical presentation and research contribution to AAVISHKAAR’2018 National Conference on 2nd April 2018 held at Vel Tech High Tech Dr.Rangarajan Dr.Sakunthala Engineering College.

Department of Mechanical Engineering

The Mechanical department was established in the year 2009 with an intake of 60 students, at present it is increased to 120 students. The mission is to impart technical knowledge and skills to the students to become technically sound, practical and self sufficient Mechanical Engineers. Apart from making them good technocrats, the department also provides individual attention to make them good citizens of our nation to serve the society. The department functions with efficient faculty and well equipped lab facilities. It has conducted many technical symposium and workshops. The teaching and research activities are supported by a team of Dean, Professors and Assistant Professors who were well qualified and experienced in their field of study. The Department has well established state-of-art laboratories to inculcate practical knowledge to the students and it is well structured and built with spacious, ventilated class rooms.

2	N.Gayathri Assistant Professor 725	“FDP on ME6701 Power Plant Engineering” Velammal Institute of Technology 21.05.2018-28.05.2018

Learning Outcomes

This Seminar has provided ample amount of knowledge on rapid proto typing and its advancements and additive manufacturing techniques were clearly explained. This seminar gave more ideas to my ongoing PhD.

This FDP on “Power plant Engineering” has provided knowledge on the types of power plant and its advancements and combined power plants. Advantages, applications and disadvantages were clearly explained. New techniques on controlling exhaust gas were learned by the Professor.

Department of Master of Business Administration

The MBA Program was started in the year 2006 with 55 students and has successfully graduated 10 batches. VEL TECH HIGH TECH MBA Program is a full time program. The duration of the course is two years split into four semesters. Each semester shall normally consist of 90 working days. The department has a team of 8 faculty members who offers a vast reservoir of knowledge to learn and leverage. They focus on developing value based and competent human resource for betterment of the globe. Students get a chance not only to learn from the faculty but also to discuss and debate the concepts they learn with people from industry through various Industry Interactive Programs. The Programme also includes seminar and practicals. The students are given an option to choose any two specializations from the range of electives given below:

- ⊙ Finance
- ⊙ Human Resource
- ⊙ Marketing
- ⊙ Systems
- ⊙ Operations

VEL TECH HIGH TECH MBA Program prepares you to tackle the complex business challenges of the future and to exercise the leadership needed to obtain results through others, differentiated by its cutting-edge research, the quality of its academic staff, the depth of its educational programs, and its close link with industry. Situated in the outskirts of Chennai city, it is one of the Chennai's premier learning and research institutions for MBA aspirants.

Department of Master of Computer Applications

Master of Computer Applications (MCA) is a three-year for regular students now it is just two-year for (lateral entry) to complete the professional Master's Degree in computer applications awarded in Anna University Chennai. The post graduate program is designed to meet the growing demand for qualified professionals in the field of Information Technology. The MCA program is inclined more toward Application Development and thus has more emphasis on latest programming language and tools to develop better and faster applications. MCA is a course exclusively designed to meet the requirements for IT trained students for various organizations. This course significantly emphasizes planning, designing and building of complex commercial application software and system software. The course also places equal importance on functional knowledge in various areas. The MCA course is not just a postgraduate course; it is also a complete professional grooming for students for a successful career in the IT Industry.
